

Top Wilderness Regulations to Know

*Byers Peak and Vasquez Peak Wilderness Areas - also Indian Peaks Wilderness

- ◆ No camping within 100 feet of any lake, stream or Forest Development Road or Trail.
- ◆ No building, maintaining, attending or using a campfire within 100 feet of any lake, stream or Forest Development Trail.
- ◆ Prohibited from entering or being in the area with groups larger than a combination of 12 persons and/or livestock.
- ◆ Prohibited from possessing a dog or other animal which is not under control to prevent harassment or disturbance of wildlife, people or their property.

*Never Summer Wilderness-Same as Byers and Vasquez but with the following additions/changes:

- ◆ Prohibit entering or being in the area with groups larger than a **combination of 15 people and livestock, with the maximum number of people being 10.**
- ◆ Prohibit within 1/2 mile of Parika Lake: building, maintaining, or using campfire, other than a self-contained chemical stove.

*Indian Peaks Wilderness-Same as Byers and Vasquez but with the following additions/changes:

- ◆ For overnight use a camping permit is required June 1 - Sept. 15
- ◆ The following backcountry zones allow camping only in designated campsites: Diamond Lake, Jasper Lake, Crater Lake, and Caribou Lake.
- ◆ Camping is prohibited in the Four Lakes Backcountry Zone from May 1 through November 30.
- ◆ Campfires are prohibited on the east side of the Continental Divide. Campfires are also prohibited in the following areas west of the Continental Divide: Crater Lake, Caribou Lake, Columbine Lake, Pawnee Lake, Gourd Lake, Upper Cascade Creek (above Cascade Falls). (Where campfires are allowed they must be at least 100 feet from lakes, streams, or trails).
- ◆ **Pets must be on a hand-held leash at all times.**

* NO DRONES ALLOWED
